

ALBROOK AIR FORCE

COLOR

KE 15145 - THE USAF SCHOOL FOR LATIN AMERICA at Albroom AFB, Canal Zone, provide instruction in technical specialties of officers and airmen of the Latin American air forces. The curriculum consists of eighteen standard USAF courses adapted to specific Latin American needs, and is taught in Spanish by USAF instructors. Over 4,000 air force men from 20 different republics have attended the school since it was established in 1943.

The Air Police A3C Jamelle Shaheen and A3C Gerald Richardson give directions to A2C Juan F. CoPavon of Nicaragua at the base's main gate.
